

Find Baby Jesus in the Rubble

On Sunday, December 17th, 2023 a Nativity scene will be set in front of the Syracuse Catholic Cathedral of the Immaculate Conception before the 9:45 AM Mass for people to view and comment on; it suggests that Mary, Joseph, and the infant Jesus would likely be incinerated if being under Roman occupation, Herod had killer drones. Syracuse has one of a growing number of killer drone bases in the United States.

The churches in the city of Bethlehem, the birthplace of Jesus, are canceling the celebration of Christmas because their fellow Palestinians in Gaza are being slaughtered by Israel aided by United States approval and assistance. Many American Christian churches are silent about the ongoing genocide inflicted by Israel and are not promoting the nonviolent message of Jesus. More than 20,000 people have been killed in Gaza; thousands more remain uncounted under the rubble caused by Israeli terror from planes, tanks, howitzer 155mm shells, and other weapons of mass destruction. Since Oct. 7th, 50,897 people have been injured. We deplore US Senator Schumer who has given total cooperation to the Israeli slaughter of Gazans and led the US Senate to refuse to support a permanent ceasefire.

This Christmas, we applaud and join Pope Francis in his renewed call for an immediate permanent humanitarian ceasefire, and we call for an end to the occupation. Palestinians need to be free from the ongoing unequal apartheid system of control and given full autonomy, and respect for their human rights with dignity. We call for an end to the genocide. We pray that Christians will return to the true meaning of Christ's birth, the proclaimed Prince of Peace. Join in our demand to end sending weapons and funding to Israel.

This is a local issue in Syracuse, protested since 2009; as

Hancock Drone Airbase, one of the largest training and maintenance centers for drone assassinations, kills civilians abroad just as Israeli drones are used in Gaza. In attendance are members of Pax Christi Upstate NY, Upstate Drone Action, Ithaca Catholic Workers, Friends of Ben Salmon, Syracuse Peace Council, and many people of conscience who want the slaughter to end.

Ceasefire Now!

Directions to Syracuse Cathedral, 259 E Onondaga St, Syracuse, NY 13202
