Game of Drones

Friends, this is a great film on the damage done by drone warfare and the increasing potential for state terrorism presented by drones. The video is from 2016 but I have never seen it before so I’m glad it turned up in my email today.

The film has interviews with whistleblower Sean Westmoreland, and many of the antidrone activists and drone victims from Waziristan whom we met there as well. And, interviews with our good friends Nick Mottern of Knowdrones.com and Ann Wright, who needs no introduction in the antiwar universe.

***The film is on YouTube on the RT Documentary channel, and also on the RT website. Header image is a cropped screenshot from the film.*
