

Celebrate Dr. Martin Luther King, Jr

Along with his defiance against racism and his support for the working class, Dr. King also decried the United States imperial wars around the world.

In 1967, exactly one year before his death, he gave a speech called “Beyond Vietnam”.

he said:

“I knew that I could never again raise my voice against the violence of the oppressed in the ghettos without having first spoken clearly to the greatest purveyor of violence in the world today – my own government.”

He went on to say:

“A true revolution of values will lay hand on the world order and say of war, "This way of settling differences is not just."A nation that continues year after year to spend more money on military defense than on programs of social uplift is approaching spiritual death.”

And:

“Every nation must now develop an overriding loyalty to mankind as a whole in order to preserve the best in their individual societies.We can no longer afford to worship the god of hate or bow before the altar of retaliation. “

No to Weaponized Drones! No to Nuclear Weapons!

Build Roads and Schools, NOT Deadly Weapons!

Stop Feeding the Merchants of Death! End all U.S. wars!

....I Cannot Be Silent”

Dr King could not Be Silent, and neither can we be silent about U.S. War and Destruction around the world, most recently in Yugoslavia, Afghanistan, Iraq, Libya, Syria, Yemen, Ethiopia, Somalia, The Congo, and now Ukraine!
